The NGO Sai International Sansthan is registered under the societies registration Act XXI, 1860 in 2008. The society is working according to a written communication drawn by its member for smooth and efficient working.

Sai International Sansthan is a group of intellectuals from various field all over India with an urge to serve the society therefore we formed this society. It is a voluntary, non-profit making, non-governmental organization committed to help needy, deserving orphans, handicapped and under priveleged children of the society regardless any cost, creed and religion by way of sponsoring in various educational schemes, health care and society upliftment. The society rendered voluntary services for the upliftment of human beings and propagation of healthy and prosper way of life.

We are happy to present the Annual Report of Sai for the year 2013-14 SAI, which have demonstrated practical approaches to eradicate poverty while enriching the environment. the Cattle Development Programme which has been in progress since 2006, is presently providing services to rural.

Conservation of other breeds namely Khillar, Amrutmahal and Hallikar is also in progress. Suvarna Sankalp, a project committed to rehabilitation of tribals across the state through sustainable development, has made significant progress by covering over 87 families spread over 5 villages through apriority-forestry systems. Apart from establishing fruit and forestry plantation and promoting intercrops, the project has also taken up women empowerment and development of People's Organizations as an integral part of this programme. With a view to reach the younger generation of the tribal families, various health and education related activities have been taken up in the Ashram schools. Tree-based farming programme has also been promoted through Samruddhi project in Ranchi and Gaya districts and the focus is on developing a suitable land use plan incorporating species of fruits, vegetables, food.

Our efforts to provide clean drinking water through Sachetana project, particularly in areas where ground water is contaminated by fluorine has been successfully managed through roof top water harvesting, networking of farm

ponds, recharging of bore wells and promotion of tree planting in 60 villages in Gaya, Taradih and Chaibasa districts. Our programmes for empowerment of women through reduction of hardship, development of local leadership and promotion of various income generation activities through the Parimochana, Navchetana and other projects have demonstrated that with literacy and empowerment, even the most backward women can exhibit exemplary qualities not only to earn their livelihood but also to assume leadership to initiate development and management of PanchayatRaj Institutions. Presently, over 30 SHGs are actively engaged in various community development activities of which 28 SHGs are of women. Over 14 SHGs are involved in community development while more than 16 SHGs are linked with the banks and availing of loans for their development activities. These groups, confident of developing themselves and the community, have saved more than Rs.3.5lacks which are in circulation. We are proud of our beneficiaries who have shown courage and confidence to face the challenges and to progress towards sustainable livelihood. We are also grateful to our donors .Durga Developers and sagum International sansthan.Trust, Buddha social and others who have generously supported us.

We are also grateful to our staff and volunteers for their dedicated services for achieving the mission laid down by our Founder, Guru jee. Raj Nandan Jha Chairman

In the present year 2013-2014 NGO has implemented various programmes like R&R, Water sampling & social condition survey, Road safety program, School Dakhila Abhiyan, Self-help Awareness programs, Income Generation programs, Environment awareness camps, Drug-de Addiction camps, Free Hepatitis and other vaccination camps in different parts of India with support of different departments, communities, social workers, school & college students etc.
